# THE ENTREPRENEURIAL ALUMNI HALL OF FAME

SAINT LOUIS  
UNIVERSITY

Inspired by Saint Louis University's Jesuit ideals, the Entrepreneurship Center at the John Cook School of Business is a bridge between academia and the community, delivering and developing resources that enable entrepreneurs to pursue their dream of starting and operating a business.

The Strauf-Stone Entrepreneurial Alumni Hall of Fame exists to recognize and celebrate graduates of Saint Louis University who have contributed to our society and economy through entrepreneurial leadership in corporate and independent ventures as well as in public, civic, and social organizations.
