

## SOBEY SCHOOL BUSINESS DEVELOPMENT CENTRE

Sobey School Business Development Centre (located in Halifax, N.S. Canada) connects faculty and students with some of our region's most dynamic small businesses. We create connections to help local businesses, improve local prosperity and create opportunities for experiential learning. We create interactions through student and faculty delivered consulting and training, competitions, conferences, society coaching and business oriented publications and guides. In a typical year we assist more than 600 businesses and 500 students. Key areas of focus are innovation training, services for high growth companies, technology start-ups.
